How does Amadeus Value Hotels bring value?

Value for your Customers:

Choose from 500K+ properties and hotel chains worldwide, with:

- _ Diverse content offer to suit all traveler types
- _ Variety of rates and meal plans

Value for your Time:

All properties are integrated into the Hotel Platform, so you can:

- _ Access directly from Amadeus Selling Platform with no additional log-in
- _ Keep track of bookings via the full PNR and back-office integration

Value for your Business:

With Amadeus Value Hotels, there's no need to wait for your reward:

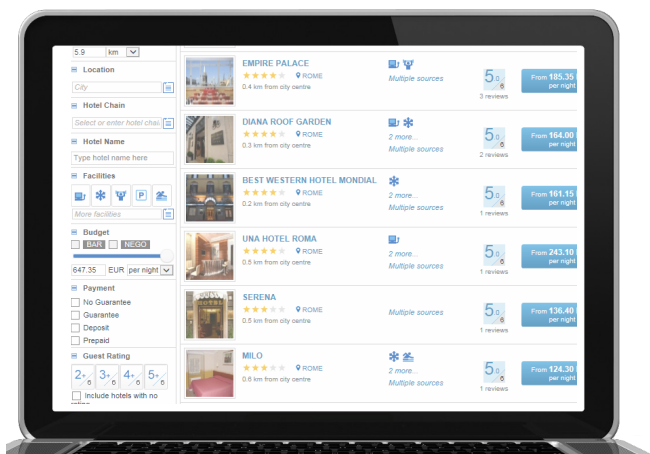

- _ We offer pre-paid rates, so you collect the reward straight after booking
- _ Define your own rates and margins with the mark-up tool
- _ Make payments through an agency credit card or through a consumed credit line

Value for your Brand:

Maintaining a good reputation with your customers is always top of mind:

- _ Access a multilingual helpline to support your customers when they need it
- _ Personalize all travel documents to maximize your agency's brand awareness
- _ Quick and easy onboarding, with several materials to help you get started.

- _ One **single shopping window**, with advanced filter and search options, including map view and trusted traveler reviews

- _ Intuitive indicators identify the **optimal revenue opportunity** for your business

- _ Choose the **best payment method** for your business

- _ Easily **manage bookings** with tools such as the 'Credit Line Management' feature at your disposal
